

SUMMARY

Under direction, performs a variety of duties involving the application of land use laws and regulations. Performs a variety of routine general maintenance for District parks and open space areas and facilities; ensures areas and facilities are available for use and consistently maintained in a safe and clean condition. Provides resources and information to patrons; and performs related work as required.

SUPERVISION RECEIVED AND EXERCISED

Receives direction from higher-level supervisory staff. Leads and directs lower-level staff and volunteers.

DISTINGUISHING CHARACTERISTICS

The Park Ranger is responsible for performing duties involving the application of land use laws and regulations, performing general maintenance tasks; and providing resources and information to patrons. Performance requires ability to work independently with initiative and discretion within established guidelines. This classification is distinguished from the Field Supervising Ranger in that the latter serves in a lead capacity over Open Space and is responsible for performing the more complex work.
