MEMORANDUM

DATE: October 13, 2026

TO: LARPD EBRPD Liaison Committee

FROM: Amy Wooldridge, Deputy General Manager, EBRPD
Max Korten, General Manager, EBRPD

SUBJECT: District Plan Update

PAGES: I

BACKGROUND

Since 2025, the East Bay Regional Park District (EBRPD) has led an extensive engagement process with the Board of Directors, staff, Community Based Organization (CBO) partners and community on its District Plan, an update to the existing 2013 Master Plan.

Through this process and an examination of best practices, the District Plan is being reframed as the high-level vision document that describes the values, framework and guidance on how EBRPD fulfills its mission and vision.

The District Plan will reference all EBRPD strategies and plans that provide implementation details to conduct the work. This includes creating EBRPD's first Strategic Plan to outline the 5-year implementation workplan with an annual review.

Through this approach, EBRPD can be more adaptable and flexible to address the needs of the community and our partners. EBRPD will continue to engage and seek input from its partners, including LARPD, on the 5-Year Strategic Plan priorities and actions as well as an opportunity to review and comment on the District Plan and Strategic Plan drafts.
