FINAL OPERATION AND CAPITAL IMPROVEMENT PROGRAM (CIP) BUDGETS FOR FY2023-24 (as approved by the Board of Directors on May 31, 2023)

4444 East Avenue, Livermore, CA 94550-5053 (925) 373-5700 <u>www.larpd.org</u> **General Manager** Mathew L. Fuzie

The Fiscal Year (FY) 2023-24 Operating and Capital Improvement Program (CIP) Budgets for the Livermore Area Recreation and Park District (LARPD) reflect a focus on the needs of the community we strive to serve. Innovative and popular youth, adult, and senior programs offered in well-maintained facilities and open space areas form the foundation for our annual budgeting effort.

The District's on-going operations will result in positive Net Operating Contributions (Revenue less Expense, excluding CIP outlays) of \$1.2 million in FY22-23 and \$0.4 million in FY23-24. The Operating Budget that is proposed for FY23-24 reflects total Revenue of \$24.0 million, up from \$22.6 million in FY22-23.

The District plans to add \$1.3 million to its Reserve accounts in FY22-23, with \$0.8 million targeted to its Budget Contingency fund and \$0.5 million to be added to its Deferred Maintenance fund. Our FY23-24 Budget would add an additional \$0.4 million to our Reserves. A playground replacement program will be the beneficiary of the addition to the Deferred Maintenance fund, which will provide for two playgrounds per year to be upgraded (in FY23-24, the Ida Holm and Jack Williams parks will be upgraded and funded through the Deferred Maintenance Reserve).

CIP use of the General Fund will amount to \$1.9 million in FY22-23 (\$1.6 million of which is accounted for by the District's replacement of two synthetic turf fields at Robertson Park). In FY23-24 the General Fund, through accumulated reserves, will fund the aforementioned playground replacement projects, and will be relied upon to fund several Operating Capital projects, including the replacement of the natural turf field at Robertson Park and several facilities-focused improvements at ESS sites and at the Robert Livermore Community Center. AB1600 developer fee-based funds for capacity-enhancing projects will be used to complete a bike "pump track" at Sunken Gardens in the Fall of 2023, build an amphitheater and a new restroom at Sycamore Grove Park, replace playground equipment and enhance accessibility at Bill Clark Park, and add shade structures at various parks.

Some key assumptions and notes in support of this year's Budget:

- Property and Related Taxes are projected to reach \$13.8million in FY23-24 (57% of total revenues), up 5% relative to FY22-23.
- Parcel Taxes will amount to \$1.7million (7% of total revenues), up 2% versus the prior year (the maximum increase allowed by the legislation that established this revenue source, which is intended for Park and Facility maintenance).
- Revenue from Operations will increase by 11%, reaching \$8.5 million in FY23-24 and will account for 36% of total revenues. ESS will lead the way, reaching \$3.6million in FY23-24 (up \$416k, or 13% versus the prior year).
- Staffing continues to be focused on service delivery and identifying and acting on opportunities to streamline the organization's management structure.
- ACERA pension contribution rates are changing only modestly despite the relatively poor investment performance realized through December 2022 as these losses will be amortized over a five year period. The District's Unfunded Accrued Actuarial Liability (UAAL) now stands at a surplus of \$0.8 million which will offset the impact on contribution rates of the 2022 investment losses.

In summary, the District's FY2023-24 Budget reflects our on-going pledge to continually enhance the programs and services we offer and to do so in well-maintained facilities. It is our privilege to serve the residents of our community and we will operate accordingly.

FY23-24 Final Budget – Notes and Assumptions

Overall View:

The Operating Budget for FY23-24 reflects total Revenue of \$24.1 million and Net Operating Result of \$424k.

Revenue:

- 1. Property and Related Taxes are projected to reach \$13.8million in FY23-24 (57% of total revenues), up 5% relative to FY22-23 (the County Assessor's office projects 5.6%).
- 2. Parcel Taxes will amount to \$1.7million (7% of total revenues), up 2% versus the prior year (the maximum increase allowed by the legislation that established this revenue source, which is intended for Park and Facility maintenance).
- 3. Revenue from Operations will increase by 11%, reaching \$8.6 million in FY23-24 and will account for 36% of total revenues.
 - a. ESS will lead the way, reaching \$3.6million in FY23-24 (up \$416k, or 13% versus the prior year);
 - 1. Included in the ESS plan is a full year of operation at Altamont Creek (which opened in January, 2023) and the return to operation of the Rancho Las Positas location in August, 2023).
- 4. A one-time "revenue" event is reflected in the Parks group of \$498k for the sale of 23 existing vehicles, completing the migration from owned to leased vehicles (with partner Enterprise Fleet Management).
- 5. Capitalizing on the upturn in interest rates, staff project \$391k in interest income in FY23-24, an increase of \$134k or 52% vs prior year.

Operating Expenses:

1. Salaries and Benefit Costs:

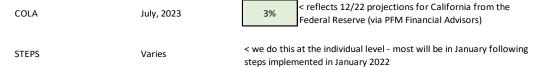

- a. The 3% COLA that was effective July 2023 will cost \$336k.
- b. Step increases will be centered around January 2024 following our post-COVID reintroduction of steps effective January, 2022.
- c. ACERA rates are changing only modestly despite the relatively poor investment performance realized through December 2022 as these losses will be amortized over a five-year period (staff have requested a forward looking view of the District's contribution rates from ACERA's actuaries that will consider these amortized losses vis-à-vis the current surplus of \$829k).
- d. The Parks unit converted 8 temporary staff to Regular employees in mid-March 2023, resulting in the transfer of professional services expense to salary and

benefits. A full year of this change in FY23-24 adds \$458k to the salary and benefits line vs FY22-23, when only 3.5 months reflected this change.

- e. Additions to staff are reflected in Administration (Financial Analyst May23) and Open Space (Natural Resources Tech Apr23), adding a total of \$200k versus the prior year, and there are several roles that are planned to be filled in other areas (Rec Coord, etc..).
- f. In Youth Services, full staffing is assumed, while in FY22-23 open positions have been back-filled by administrative staff in several cases.

2. Services and Supplies Expense:

a. <u>Administrative Services expenses</u> will grow by 5% vs the prior year, but several things are of note:

FY23-24 Final Budget - Notes and Assumptions

- i. FY22-23 includes \$200k for election fees that are not required in FY23-24;
- ii. The deployment of a new learning management system (LMS), \$15k implementation and \$15k annual subscription) will allow for a robust training environment (role-specific learning paths, District-wide tracking of mandatory training such as mandated reporter, etc..).
- iii. A new Budgeting tool is planned as well to move us from an excel-based process (\$15k implementation and \$20k annual subscription).
- iv. A compensation study will be conducted in FY23-24 at ~\$45k.
- v. Insurance costs are estimated to grow 15% and will reach \$732k in FY23-24.

b. Parks and Facilities Maintenance:

- i. Water Expense \$1.7million, up 5% versus the prior year. Usage was projected prior to the prolonged rain season recently experienced, so while there may be some opportunity here, staff have elected to remain cautious and have reflected prior years' experience in terms of volume. Pricing is assumed to grow by 4% in April '23 and again in April '24 based on input available only from Cal Water.
- ii. Gas and Electricity Expense \$708k, up 23% vs the prior year. The following table outlines FY23-24 assumptions that are based on several review sessions with PG&E:

Annual increases in volume (applied to prior year actuals by month) beginning as of Jan'23

Price increases to blended costs (generation and transportation) per PG&E (1/18/23):

| Electricity: | 3.3% | 3.7% | 5.7% | |
|--------------|--------|--------|--------|--|
| | Jan'23 | Mar'23 | Jun'23 | |

Gas: (3.2%) (0.4%) 28.5%

Jan'23 Aug'23 Sep'23

Price increases assumed beyond what is currently available from PG&E (assumed in Jan'24)

iii. Vehicle Lease expense: will increase by 57% to \$241k in FY23-24. Staff are completing an agreement with Enterprise Fleet Management for the sale of 23 existing vehicles while adding 2 new vehicles to the Parks fleet, completing the migration from owned to leased vehicles (with partner Enterprise Fleet

FY23-24 Final Budget - Notes and Assumptions

Management). 22 Vehicle leases will commence in January '24 and 3 new leases will commence in May '24.

3. Operating Capital, or "Minor Projects":

- a. With the recent adoption of new criteria for identifying capital and deferred maintenance spend as CIP vs Operating Capital (see CIP section, below), there is a shift of expense from CIP to Operating Expense, while there is no associated change to funding assumptions (eg, other things being equal, the General Fund is not impacted this is a reporting construct).
- b. The schedule on page 9 outlines the Operating Capital expense (\$475k) that is reflected in the FY23-24 Operating Budget for the General Fund, with an additional \$160k for projects that will be funded by AB1600 fees:
 - i. Note that the FY22-23 Fcst ("Forecast") column reflects an updated view of Operating Capital expense that is not consistent with the "Final" Budget for FY22-23 that was recently approved by the Board. For one, it reflects the newly adopted definition of Operating Capital. Two, it reflects actual activity beyond that of the Budget (staff are confident that the overall FY22-23 Budget result will be achieved despite the spending variance associated with Operating Capital).
