

NEIGHBORHOOD PARK AMBASSADOR PROGRAM

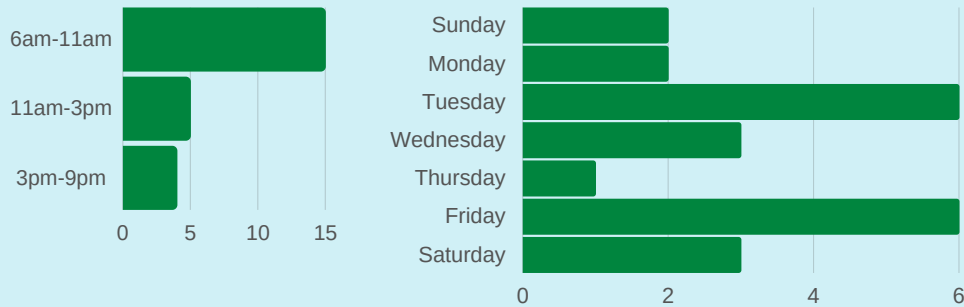

MONTHLY REPORT MAY 2020

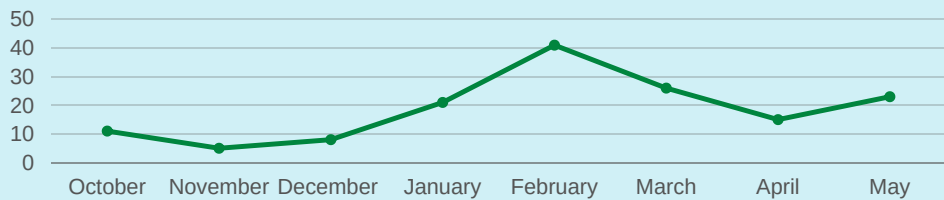

MAY PARK VISITS

TIME OF DAY

DAY OF WEEK

AMBASSADOR PARK VISITS PER MONTH

BY THE NUMBERS

12.5 HOURS

Spent at parks by our volunteer ambassadors this month. That is 5 hours more than last month! Nice work!

61% OF VISITS ARE "JUST PASSING THROUGH"

Most of these visits also included litter removal or some other task.

358 PARK GOERS

Observed during May park visits averaging 15 park goers. 78% of visits are on the weekdays which could skew that number lower.

65% OF VISITS INCLUDE LITTER REMOVAL

PLEASE NOTE: Only pick up litter if you are wearing gloves and using a grabber. DO NOT use bare hands for this.

PARKS VISITED THIS MONTH

ALTAMONT CREEK
BIG TREES
BRUNO CANZIANI

SUNSET
TEX SPRUIELL

ACTIVITY
OBSERVATIONS

Of visits observed active users walking or biking. Especially important during shelter in place.

33%

Of visits observed passive users relaxing, not doing any activity.

13%

Of visits observed users participating in recreation activities

AMBASSADOR NEWS & COMMENTS

NEWS: LARPD has decreased watering of the turf at neighborhood parks. You should have seen this in the past few weeks. Trees and sports fields will still be receiving regular water. If you notice areas that are particularly bad, please fill out at community feedback request.

"Lawns browning - increase watering frequency ASAP." Gayle at Sunset Park (Note: controller was broken)
